

Around Our Schools

Red Ribbon Week at Munsey Park Elementary School

Through the efforts of Cathy Samuels and Lisbeth Shibley, CASA organization, and Mrs. Gajdis and Mrs. Stein, MP coordinators, students benefitted from interesting programs and activities, all designed to help them develop personal responsibility and healthy decision-making.

Mrs. Kim Fanter, Great Body Shop program, led an interactive session with students and gave them specific tips for making good decisions and developing responsibility. The school was also beautifully decorated, thanks to a great volunteer team.

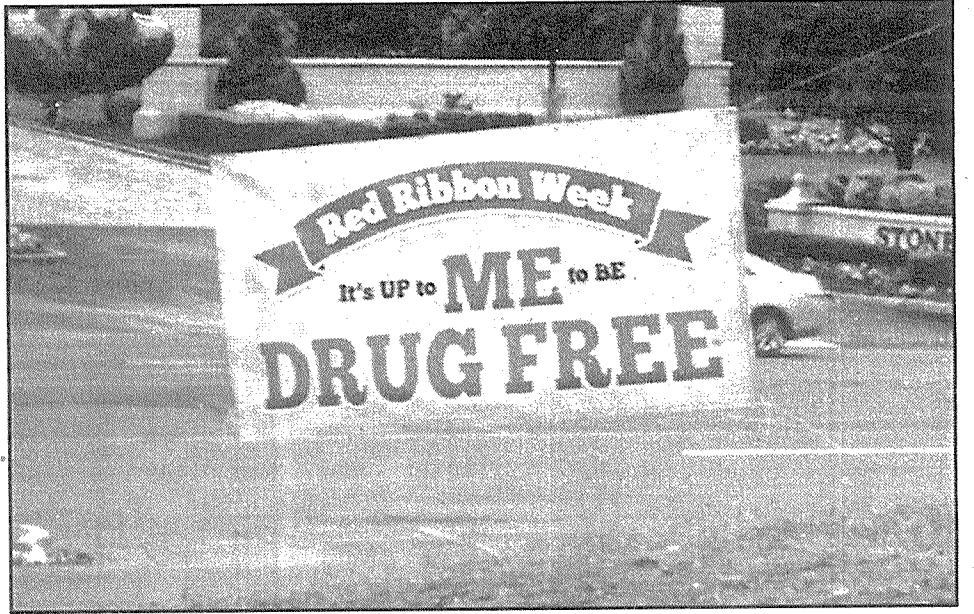

Red Ribbon Week at Munsey Park.

Students learned healthy decision-making.

Mrs. Kim Fanter, Great Body Shop program, led an interactive session with students.

Shelter Rock Elementary Red Ribbon Week Celebration

During the week of Oct. 17 at Shelter Rock Elementary School, the Coalition Against Substance Abuse (CASA) and the SCA coordinated Red Ribbon Week student activities and teacher/parent workshops to reinforce the importance of making healthy choices in life. This year's theme was "It's Up to Me to be Drug Free."

Kim Fanter from The Great Body Shop provided an interactive dialogue with students that explored the relationship be-

tween personal responsibilities and healthy decision making. She also addressed the importance of communication and anti-bullying skills.

Ms. Fanter also provided a dynamic workshop at the SCA Joint Parent Council Meeting during which she discussed the four critical needs of all children. She spoke about different parenting styles and how they impact those critical needs, and presented successful parenting strategies, as well:
