Guess Who Came To Read At School?

Judi Bosworth
Town of North
Hempstead Supervisor

Jack Martins
New York State Senator

Charles Cardillo
Superintendent
of Schools

CASA Pulls Out All The Stops

Dr. Dewey informed the crowd: "The decision to use addictive substances during adolescence is one that can impact the rest of your life. Chemical changes caused by drugs can underlie the development of other mental illnesses including depression, bipolar disorder, and even schizophrenia." For more, see page 16.

QUOTE-A

"You have elected a leader who seeks to do justice at a time when people are really hungry for justice."

—Eric T. Schneiderman
NYS Attorney General
