

# Learning The Signs Of Relationship Violence

BY ELIZABETH JOHNSON

The Manhasset High School Booster Club in conjunction with the One Love Foundation will be holding an Escalation Event regarding relationship violence on Monday, April 18. The workshop will feature a film which depicts a true story of a college relationship which ended in tragedy.

The story is about a University of Virginia senior, Yeardley Love, who was beaten to death by her ex-boyfriend just weeks

before her graduation. The One Love Foundation was created in 2010 in honor of her memory.

After her death, Yeardley's family and friends were surprised to learn the statistics that one in three women and one in four men in this country will be in a violent relationship in his or her lifetime and that women ages 16 to 24 have three times greater risk.

One Love's ambitious goal is to end relationship violence by educating, empowering and activating young people in a movement for social change. To achieve this, One Love has developed creative technology-based tools and resources that meet young people where

they are and inspire them to action.

"It is my sincerest intent and the intent of the One Love Foundation to bring this important event to our Manhasset High School students," said Jim Amen, director of athletics at Manhasset Public Schools. "This event is not just for student-athletes. It is open to all students' grades 9-12."

All parents, community members and high school students in grades 9-12 are invited and encouraged to attend this powerful and dynamic presentation.

# Regs Rock Returns To Manhasset Turf

**Army Ranger Lead The Way**  
Fund will host its annual Regs Rock Lacrosse Day for Heroes fundraising event at Manhasset High School at 200 Memorial Place in Manhasset on Saturday, April 9. The one-day event, which attracts more than 2,000 spectators, features the always anticipated match up between two of the country's best high school lacrosse

teams: the Manhasset Indians and the Chaminade Flyers varsity and junior varsity teams.

Each year, Regs Rock honors the life of Manhasset hero Sergeant James J. Regan (CHS '98), who was killed in action in February 2007 while serving with the 75th Ranger Regiment. This year, Sergeant First Class (Retired) Cory Remsburg, who was severely wounded in 2009 and has made heroic strides with his recovery and rehabilitation, will be

in attendance for this special day.

Army Ranger Lead The Way Fund has supported SFC Remsburg since sustaining his life-altering injuries in 2009. Longing to regain his independence, Lead The Way Fund presented Remsburg with the keys to a completely modified ADA accessible home for him in March 2015.

All proceeds from the day will support active duty and wounded elite Special Operations U.S. Army Rangers and their families. Suggested donation

to Army Ranger Lead The Way Fund is \$10 for adults 18 and over.
