Meet Steve Israel

The League of Women Voters invites you to find out first-hand what is happening in Washington by coming to meet your US Congressman, Steve Israel, on Wednesday, April 23, at 7 p.m., at the Manhasset Library.

Although US Representative Steve Israel has been serving in the US House of Representatives since 2001, he has only represented many of our communities along the North Shore of Long Island and Queens, as part of his new Third Congressional District, since 2012 as the result of redistricting. The League has, therefore, invited him to come give an inside view of what is happening in Washington and to learn more about our concerns and priorities. Representative Israel will discuss a diverse range of topics including education, Alzheimer's research, middle class tax inequities and his initiatives to position Long Island for the 21st Century. Coffee and dessert will be served.
