

# Students Are Tops At ISWEEP

## Students earn honors in Olympiad

ISWEEP is an International Science Competition in the categories of Environmental Science, Energy and Engineering. Nearly 600 students joined in this seventh annual week-long competition held in Houston, Texas.

Manhasset Science Research students Kevin Tong and Albert Kim earned top honors. Kim, a senior, won first place overall in the Environmental Category of the competition. As a result of his winning the Grand Award in the Environmental Category, Kim will be attending the Stockholm International Youth Science Seminar
