

SPORTS ROUNDUP

Girls Golf

By BRANDON CRUZ

As of today we are 5-2. We currently have the 6th lowest adjusted score in the county, which should hold for the team to make the playoffs.

I feel our starters should have a low enough adjusted average for all of them to compete individually as well.

The team has an outside chance of coming in first place in our conference. There are four more matches to go.

Yesterday the boys scored a thrilling victory over Lawrence, Roslyn, & Floral Park, beating Lawrence by just 4.5 points to stay undefeated (10-0). Next week's showdown with Hewlett will be for the Conference Championship. Many of our upperclassmen stepped up yesterday to win key match ups and help us come out on top. Outstanding performances were turned in by Brad Spilka (400IH - 2nd, 400 - 1st, 200 - 1st), Taquan Thomas (100 - 1st, TJ - 1st, LJ - 2nd), Matthew Weilep, Martin Weissman, and Carter Paterson among others. It was an exciting meet in spite of the rainy conditions.

Saturday errands.
A perfect moment to talk about alcohol.

An alarming number of Manhasset teens are drinking alcohol – which makes it urgent to find every opportunity to talk to your kids about the dangers of underage drinking. For tips on how – and when – to begin the conversation, visit:
