Recycle Pollutants At Town STOP Event

The second Stop Throwing Out Pollutants (STOP) program of 2016 will be held on Sunday, May 22, at North Hempstead Beach Park from 9:30 a.m. to 3 p.m. At the first STOP event of the year, more than 1,300 people attended and more than 2,000 pounds of pharmaceuticals were collected.

The STOP program offers Town of North Hempstead residents an opportunity to dispose of waste that's too dangerous to discard at routine pickups, such as aerosols, household chemicals, pesticides, disinfectants, fertilizers, bulbs, thermostats, rechargeable and lithium batteries, TVs and computers. Oil-based paints are considered hazardous and will be accepted at any STOP collection site, but latex- and water-based paints, once dried out, can be thrown out with regular garbage and won't be accepted.

To prevent identity theft, residents may bring as many as six Bankers Box-size boxes of sensitive documents for shredding on-site, which will then

be transported to a pulping mill for recycling. Every 2,000 pounds of paper recycled equates to 17 trees saved.

In partnership with the Nassau Police Department, STOP will continue its drug take-back program, where residents can discard unused prescription or over-the-counter drugs. Since half of all teens who abuse prescription painkillers do so with drugs found at home, this program will help keep families safer and keep our waters clean.

The upcoming event will also accept clothing donations thanks to the partnership with Big Brothers Big Sisters, which will collect gently used clothes, stuffed animals, electronics, toys, sporting equipment, shoes, books, small area rugs, bikes, scooters, luggage, picture frames, table lamps, bolts of fabric, silverware, glassware, dishes and cosmetics for which donors will receive a receipt for tax purposes.

Upcoming STOP events will be hosted at Westbury High School on June 26, Michael J. Tully Park on Sept. 17 and North Hempstead Beach Park on Oct. 30 from 9:30 a.m. to 3 p.m. For more information, call 311 or 516-869-6311.
