A Picture Perfect Day For The Fair

BY ELIZABETH JOHNSON

EJOHNSON@ANTONMEDIAGROUP.COM

On Saturday, May 2, crowds flocked to enjoy the famous Manhasset School Community Association fair. The event is the biggest fundraiser for the Manhasset SCA. Hundreds of volunteers under the guidance of Linda Gurino and Stella Binaris worked miracles to put together this fabulous event. Highlighted on this page are a few pictures of some of the volunteers and helpers that made the day so special.

With temperatures in the high 50s to low 60s, fairgoers enjoyed the rides, food, shopping and entertainment available throughout the day. Pony rides were the number one attraction for the little ones, while kids tried their luck at the gaming booths coming away with stuffed animals, balls and assorted prizes. As always, the hot dog tent and international food court had a brisk business, as did the plant ladies

The merry-go-round, a favorite ride for all ages

who made sure everyone had plants to give to mom.

Inside the tent, toys, attic treasures and sports tables had a brisk trade. Manhasset Coalition Against

Substance Abuse gave out free backpacks to all. Manhasset spiritwear was in demand, as were the treasures being sold by vendors. Outside the tent, pie throwing was a serious activity. Good fun was had by all. Sports were covered with the rock climbing wall and the football toss and baseball cage. The entertainment was fabulous with the Manhasset talent being showcased on the great stage.
