North Hempstead Supervisor Judi Bosworth and Councilwoman Anna Kaplan welcomed Nicole Kiprilov and Griffin Hyde to Town Hall on Sept. 9. The two students were honored for their

outstanding service to the Manhasset Coalition Against Substance Abuse (CASA). They were recognized for their going above and beyond in their efforts and dedication to bringing awareness to substance abuse.

Manhasset CASA exists as a resource to reduce the illegal, underage use of alcohol, tobacco, and

other drugs among its youth before they are in trouble by connecting parents, school, and the community as partners in this common goal. The Town has an ongoing relationship with CASA including a recent public service announcement by Supervisor Bosworth on North Hempstead Television.
